Your commitment to WTCS is vitally important to its success. This is why we ask you to please commit yourself to be actively involved in the areas you desire and by making yourself available when contacted OR when you see a need arise.

Every family is asked to serve 40 hours a year (approximately 3½-4½ hours a month). The other option is to pay \$1,000. *(Single parent families have the option of serving 20 hours, or paying \$500).*
