Our preschool & prekindergarten program is structured as a **launching pad for children's education experiences**. We want to build a solid foundation so that children love being in a school setting and want to learn more.

Christian values, Bible stories, prayer, and songs are an essential part of the curriculum. Children are taught that they are created and loved by God. They are unique and precious in His sight, and He desires a relationship with them.

Every family is **required to enroll in FACTS Tuition Management** for the automatic withdrawal of monthly tuition & incidentals **or pay tuition in full by June 1, 2018**. A \$25 late fee will be assessed if FACTS is not set up by June 1, and each month following that it is not set up. If monthly payments are not made in a timely manner, a \$25 late fee will be assessed on the 20th of the month, unless other payment arrangements have been made. ***Please contact Chennille Currier, WTCS bookkeeper, at 701-774-9056, if you are unable to make a payment.***
