## **TUESDAY, APRIL 17**

7:00-7:45am MEN'S Breakfast Presentation: ***Discipleship in the Family Starts with Dads: How Do We Make God "Real" to Our Children?***

Dr. Martin shares five key Scriptures to combat problems within the family. He challenges fathers and husbands to be loving, spiritual leaders in their families. He gives examples of ways that family members can practice right responses to each other. A theme verse for this talk is Col. 1:10 - "so that you may live a life worthy of the Lord and please him in every way: bearing fruit in every good work, growing in the knowledge of God."

Breakfast is included at no additional charge.

## **WEDNESDAY, APRIL 18**

8:00-8:40am **Grades 5-12** in chapel

9:31-10:16am Dr. Martin to visit Jr/Sr. Bible Class to present ***Christian Leadership: The Life of Nehemiah: Through the lives of biblical men and women***, Dr. Martin will demonstrate to young people how they can live with a view toward eternity—teaching them the value of one person's life before the Lord. Having a goal in life, standing alone amidst the increasing opposition of our age, and being a biblical leader in the midst of our changing culture are themes Dr. Martin will cover in this session. A main theme in the book of Nehemiah is to "pray first" which should be the Christian's first thought in all situations. In addition to Nehemiah, Dr. Martin will also cover leadership principles found in the lives of Shamgar, Esther, Shadrach, Meshach, and Abednego.

12:30-1:30pm PARENT Lunch Presentation: ***Teaching Your Children to Love Jesus:*** In this session, Dr. Jobe shares parenting advice on how he and his wife raised their two daughters with the anticipation that teen rebellion was not an "expected" part of life. They did not have to plan ahead for "damage control" because of key steps they purposed to take when their girls were young. What motivates a child's obedience and best prepares them for the future? Come hear ways to make the Lord Jesus "real" to your children and lay foundation stones to help them avoid the pitfalls of the teen years. You are invited to enjoy a school lunch for \$3 (includes chicken bacon ranch potatoes & salad bar) or feel free to bring a bag lunch.

1:30-2:00pm Taryn & Mirren ***Seeking Biblical Beauty\**** for girls in grades K-3.

2:15-2:45pm Taryn & Mirren ***Tamin the Tongue*** for girls in grades 4-6.

***\*Seeking Biblical Beauty.*** This is our session for little girls—about 5-12 years old. We like to encourage little girls to look for ways that they can be beautiful in God's eyes and that this will give them that inner beauty that will make their countenances shine. We focus on giving them practical ways to start building the character qualities of truthfulness (guarding their tongues), having a servant's heart, being careful with their words, having good attitudes, being obedient to their parents, being encouragers in their homes ("sunshine-makers"), etc. We also like to briefly touch on Bible study methods. Some verses we use with this talk include: Prov. 22:1; Prov. 12:19; Prov. 15:13; Col. 3:20 and Eph. 6:1-2; Prov. 16:23-24; Prov. 20:19; Prov. 2:11. etc.

## **THURSDAY, APRIL 19:**

8:00-8:40am Taryn & Mirren ***Have You Been Captured by Counterfeit Beauty?\*\**** for girls in grades 5-12

***\*\*Have You been Captured by Counterfeit Beauty?***  
Biblical beauty is becoming less understood and less sought after in today's Christian culture. Many Christian young ladies have subliminally embraced a counterfeit beauty, failing to recognize its worldliness. As a result, their effectiveness as ambassadors for the Lord Jesus Christ is weakened. As a young lady finds her strength in the joy of the Lord, His beauty will be upon her in what she says

and does (Ps. 90:17). He will fill her with the beauty of love and concern for the needs of others over herself. Seeking after Biblical beauty will not only enhance a young lady's life as she displays the "fragrance of Christ" to others, but will also make her more pleasing to the Lord and therefore more able to be used for God's glory.

# **SPIRITUAL EMPHASIS WEEK**

**April 16 - 20, 2018**

We are excited to welcome Dr. Jobe Martin and his family to be our featured speakers at Williston Trinity Christian School's Spring Spiritual Emphasis Week.

Jobe Martin, a native of Bloomsburg, PA, was a biology major at Bucknell University and a graduate of the University of Pittsburgh Dental School. After spending two years in the Air Force where he was a dentist for the Presidential flight crews of Air Force One (the 89th Airlift wing), he established a private dental practice at NASA in Houston, TX. While a professor at Baylor College of Dentistry, Dr. Martin became a young earth creationist, and after receiving his Masters in Theology, went into full time ministry with his wife and two daughters. Their ministry (Biblical Discipleship Ministries) focuses primarily on family discipleship, creation, and biblical discernment.
