

Our Mission:

To assist parents in providing an education that encourages academic excellence and social responsibility, taught in a Biblically based Christian context.

CONNECTING FAITH & LEARNING

"The Bible is the foundation that guides all that we do at WTCS."

A formal education, based on a Christian philosophy, complements and affirms the efforts of parents who strive to teach their children that God is essential in all aspects of life."

"WTCS seeks to help parents instill strong Biblical value in every student. We believe these values are critical in promoting a healthy family structure and, thus, are an integral party of our policies and curriculum."

Our faculty communicates and applies God's Word at all grade levels.

STATEMENT OF FAITH

WTCS is a non-denominational Christian school. Our teaching does not encourage or discourage any particular denominational doctrines other than those outlined in our Statement of Faith. Particular doctrinal instruction is the role of the parents and the family's church.
